Active On Demand Coupling Fluid Level Check

Note! Some variation in the illustrations may occur, but the essential information is always correct.

Removal

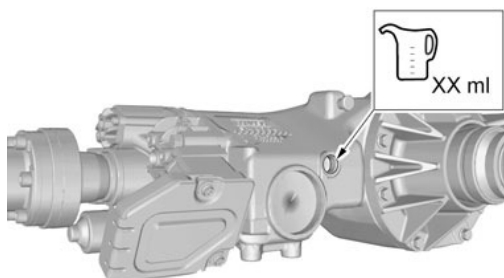

Warning! Be prepared to collect escaping fluid.

Filling

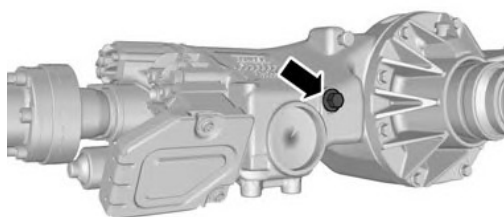

Caution! The fluid must be allowed to escape until a continuous flow changes into single drops.

Use: Transmission oil, 30759648

Installation

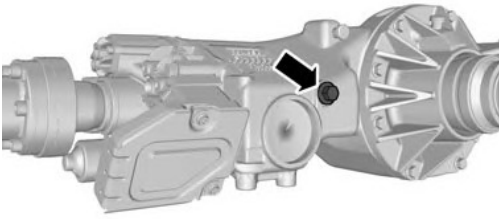

Torque: Oil plug, Active On-Demand Coupling, 35 Nm

Carry out a road test.
